Sir,

I am directed to refer to your letter No. CIT/56/43 of the 27th May, 1943, containing your general report on income tax for the 1942/43 and to express the appreciation of His Excellency of the work of your department. I cannot do better than to repeat the observations of His Excellency on the report, namely,

"This is a very good record and the only point at which I feel moved to disagree is where modesty tends to minimise admirable achievement both in respect of results and methods."

May I add my own congratulations.

I am, Sir,
Your obedient servant,
